Mr. Beacher on Social Pleasures.

In his discourse at Plymouth church Brooklyn, Sunday evening 10th, Mr. Beecher said : I hold that in social usages there is nothing always right or wrong according to the effect it produces. The effect varies under different circomstances. A man may drink wine in Palestine without barm, but I think not in New York. Right and wrong is to be determined in every was placed by the Government over the Treasury and favorable, on the whole, to reasonable enjoyment. It is cheerful, happiness producing, joyful. The Rather a happy condition of affairs this certainly aplanguage of the Old Testament and the New is pears to an outsider, but we must hope that the good joyous. Religion does not shut men up. If it is sense and forbearance of Englishmen will prevent necessary at critical periods to give up the right the occurrence, there, of scenes fitting only for the hand a man must do it, but that is an exception. population of one of the South American Republics, All pleasures that injure men are forbidden whose normal existence seems to be that of violence because they injure their happiness. Any man and bloodshed. One of the Ministry (Mr. Woods), who squanders the resources of his body sins has gone to Sydney to make representation to the against the laws of health, and interferes with his true happiness. No man has a right to a torney-General, has been drowned while cruising in may be harmful under certain circumstances. A active member of his Majesty's Opposition in Fiji. the young ladies must not dance, but they have Coroner, and those who now style themselves the decalisthenics. What is the difference? Both are luded followers of these gentlemen are indignant at have dancing where there was a funeral. I would Mr. Burt, the Premier, an address calling on him to time the dancing. If you are able to put a resign. As this was succeeded by a counter address billiard room into your house to keep your boys from a much larger number of voters, Mr. Burt at home, do it. But if there is a billiard saloon naturally declined. In the course of an interview A Small Lot of Very Fine Cigarettes! in conjunction with liquor in a village, I would not go there. I would con off my hand somer not go there. I would cut off my hand sooner. affidavit declaring that two of the members of the We are perpetually to judge according to circum- deputation had sworn to assassinate him and Mr. stances. If The cotton crop was promising, but the picking you ask me about theatres and operas and cir- much interfered with by the wet weather. cuses, I tell you to form your judgment with large | The Supreme Court was in session, with a heavy views as christian men and women. There I defend you. You must decide unselfishly, and as absentees, and in the calendar was included the then you have a right to follow your decision. If you don't think it right to wear feathers, go to parties, dance or touch cards, then it isn't right for you. But you must not sit down and harbour. The Judge was assisted by the native judge. groan over your " poor darkened sister over the The juries, we observe, consist only of seven way who wears feathers a foot long, and goes to The absence of a bank is much complained of. Coin parties all winter." I have seen more humility gets hoarded over the country, and the chief circulain houses of wealth than in those who detract | tion is in Government notes. Gold is at a premium against them. I am sorry that there is so large of 10 per cent. Some say that alcoholic liquors should be excluded, committed by Mr. D. W. L. Murray, the Hawaiian and vinous liquors not; others believe in total Consul, and Acting Attorney-General for Fiji. The American, English and Australian these questions. It is a great misfortune that its port by a crew which had been despatched after her, division should create acrimony and uncharita- there being a claim against her by her late captain, Furnished to Subscribers within Ten to Twenty Days bleness. I affirm the right of a man to form his and which had not been settled previous to her leavown opinion on what is right and expedient. If ing port. Upon her arrival here Mr. Murray profrom him. I wish he thought different; but I affirm his right to his own position. On the other hand, I have the right to appeal to all men duct, there will be some disagreeable items of their whether they use their liberty according to the laws of love. Your right is to be administered under the charter of love. Is there any other single source of so much danger and distress as the drinking habit of society? Does it not lead ing? Have you not seen men worn out by cares and disappointment who drink to drown sorrow, Together with a full assortment and so go down. There is nothing so takes down the health, so dims the honor, so fills hearts with sorrow as this very habit of drinking. You have a right to your own liberty, but was there ever u case where your liberty ought to be laid on the altar of love so plain as this? You may be safe, but will you let example lead the young to destruction. Was there ever a case where a man should use his conscience for the welfare of others, if this is not one? I beg of you, in all public places, to forbear. Do something for the good cause. You don't know how many men will be About 7000 Acres Fee Simple Land saved by your example. I ask you, in the presence of God, to look at the matter again. The holidays are coming, and I make my affectionate appeal-maintain a conscience void of offence. I appeal to every young woman-disown the temptation of wine. If there be one thing that women should stand for it is for temperance. May I not beg of you now to say, by the help of God I will use all I have so that men shall be led

to safety, and not to destruction. WATCH BEEPARRING!
